

Mobile and Online Banking Enhanced Features

***Enhanced features added to text banking.
Please see new options you have for receiving sms alerts below:***

**New SMS alert types –
Customers can better stay on top
of their finances with all the alert
types previously only available
to email.**

- * Balance Update
- * Low Balance
- * High balance
- * Large deposit
- * Large withdrawal
- * Check cleared
- * Maturity date
- * Loan Payment due
- * Loan Payment overdue
- * Personal Reminder

**Customize your alert frequencies
– Users are no longer limited to
“weekly on Fridays”. Just as with
the “balance update” alert for
email, these balance alerts can be
sent on any day of the week and
for other frequencies.**

- * Once a week
- * Once Every 2 Weeks
- * Once a Month
- * Twice a Month
- * Every 3 Months
- * Every 6 Months
- * Once a Year

**Get alerts for all of your accounts –
Users are no longer limited to a
primary account from which to
receive alerts.**

**Customize who gets which alert –
Users who set up multiple text mes-
sage phone numbers do not need to
be tied to the same alert. They can
now configure alerts to go to one or
more user according to their prefer-
ence.**
